**THE UNSECURED CREDITOR'S COMMITTEE MOTION FOR AUTHORITY  
TO PAY FUNDS INTO THE REGISTRY OF THE COURT**

Richard T. Chapman, attorney for the Unsecured Creditors Committee would show the Court as follows:

**1.**

More than ninety days have lapsed since the date of the distribution of funds by the Committee, and the checks to the parties below in the amounts indicated remain outstanding. Pursuant to 11 U.S.C. Sec. 347, the Committee has stopped payment on the checks which were written to the following parties in the captioned case:

The Committee proposes to pay the amount indicated over to the Registry of the Court for disposition pursuant to Chapter 129 of Title 28 U.S. Code.

2.

The Committee requests entry of an order authorizing the payment of foregoing amount to the Clerk.

3.

The Committee would show that the relief requested is administrative in nature, and that no notice of this motion need be given to the parties in interest in the case. The attorney for the Committee would show that he has diligently attempted to notify each party of the existence of these funds, that such efforts have been unsuccessful, and that further attempts to notify the payees would be futile.

Wherefore, premises considered, the undersigned Committee prays that the Court enter an order authorizing the deposit of the funds above into the registry of the Court.

Dated: March 16, 2010

Respectfully submitted,
